

Consent to use of image

I hereby authorize the Medical University of Gdańsk to publish and distribute my image sent by me to the address: promocja@gumed.edu.pl, as well as made by the MUG's photographer. I have been informed that photos with my image will be used to promote the University – in promotional materials such as information brochures, posters, leaflets, roll ups, calendars, guides, as well as the MUG's website and in Social Media. At the same time, I will waive the rights related to the control and approval of each use of photography with my image.
